

Joseph Laura (#1238)

Mr. Philip E. Robbins,
Supt. Quarries,
Olympia, Washington.

The illustrated cover from the Northern Pacific Railway was franked with a two-cent red Washington head stamp punched with the distinctive "NP" of perfin pattern N129.5. This matches the entry in *The Catalog of United States Perfins*, however, note

the logo complete with "Yellowstone Park Line" under the railway's logo.
